Dear Mr. Roderick,

At their meeting of April 19, 2006, the City Council of the City of Pacific Grove unanimously accepted the Quitclaim Deed and the Land Use Covenant for the Point Pinos lighthouse property, agreeing that the language of the current draft is satisfactory to protect the health of Point Pinos visitors and workers now, and in the future.

We are excited to take the final steps to complete the land transfer and thank you for your efforts in resolving this expeditiously.

Sincerely,

Jim Colangelo
City Manager
